REACHING ALL SERIOUS COMIC ART FANS AND COLLECTORS

THE BUYER'S GUIDE FOR COMIC FANDOM is a weekly publication of DynaPubs Enterprises/15800 Rt. 84 North/East Moline, Illinois 61244. Second class postage paid at East Moline, Illinois, and at additional mailing offices. This is currently the widest-read publication in the comic collecting field and has been called the comic collector's Bible.

SUBSCRIPTIONS: THE BUYER'S GUIDE costs \$3.00 for 12 issues or \$5.00 for 26 issues in the United States, Canada and Mexico. Subscriptions for foreign countries are \$5.00 for 12 issues or \$7.00 for 26 issues — second class. (First class and air mail rates available upon request.) SINGLE COPY: \$1. NO BACK ISSUES AVAILABLE. Entire contents Copyright © 1977 by Alan Light. All rights reserved.

CHANGE OF ADDRESS: Please give us four weeks advance notice. We must have both your old and new addresses (including zip codes). For best service, use the back cover address box when moving.

## GENERAL INFORMATION

SEND ALL ADVERTISEMENTS TO:  
DYNAPUBS ENTERPRISES  
15800 RT. 84 NORTH  
EAST MOLINE, IL. 61244

State what size ad it is and enclose payment with the ad. We will run it in the earliest available issue unless instructed otherwise. Our ad deadlines are Friday of every week.

With our weekly publication, your ad can be printed as soon as YOU want it to be. The ad you send us will come out soon no matter when you submit it to us. So send it in as soon as you prepare it.

PREPARING YOUR AD: Black ink on white paper will produce your best results. Worn out typewriter ribbons will not reproduce well. Please take note of "SIZE OF ORIGINAL AD" explanation in each ad category. Follow these and you should have no trouble preparing an attractive ad that will bring you excellent response.

WHEN WE RECEIVE YOUR AD, we will send you a postcard confirmation that we did receive it, and it will tell you what issue your ad will run in and when you should expect to begin receiving orders.

We will make every effort to deserve your ad, and will be glad to answer questions for you. We also appreciate any comments, suggestions, or criticism.

Let THE BUYER'S GUIDE... the Bible of all serious comic collectors... sell for you as it sells for the many advertisers who come back issue after issue. OUR LIST OF SATISFIED ADVERTISERS IS ENDLESS!... Thank you!

IF, FOR SOME REASON, YOU NEED TO CONTACT DYNAPUBS IMMEDIATELY, PHONE ALAN L. LIGHT AT THIS NUMBER...

# AN AD FOR YOU TO BUY COMICS FROM

(The straightforward approach.)

We have an interesting assortment of comics here this week. Make no mistake: there are some great bargains. Some of these are what I like to call "convention books." They're the kind that a person has to see to truly evaluate. The reason for this is condition. If a comic is a straight VG, normal wear and tear isn't necessary to always describe ... but if there is no description, the buyer doesn't expect any shocks. What do you call a NM comic with tape on the spine? VF? F? VG? Or? The answer is, you've GOT to describe it.

On the following, there's nothing to say except that only YOU can be the final judge. A half dozen defects can be described on a comic with the overall effect being VG and yet it'll appear or seem to be horrible, if you don't have the book in front of you to judge. I've tried to fairly describe books in the past and had them go begging from an ad, and then take it to a convention where it's immediately snapped up as a "bargain." Hence the term "convention books." On many of the following comics I'm going to describe the defects in detail, then follow with an "impression." You'll probably come closer to the real grade of the book by the latter. If you want to take a chance, then, do so. Order the book, and if you don't agree with the "impression," then your money will be refunded when you return it, no questions asked. Fair enough?

On the following we ask a \$5.00 minimum order and \$1.00 for secure packaging and postage (which doesn't cover it in most cases). Any orders over \$200 will be sent by registered mail at our expense. The exception is Canada. Please make orders payable in U. S. funds. Orders from Canada that exceed \$200 will be sent in separate packages not running more than that amount. If you order one comic that is more, it will be insured for the maximum, \$200 and that is the extent of the responsibility we will assume.

VG = very good, F = fine, NM = near mint, AG = about good.

## ALL SELECT 1

The top of the book has gotten wet, is lightly wrinkled and slightly discolored. The spine was glued on the inside because it apparently started to separate at the staple. There is no separation or brittleness of the spine and no tears in the book. Overall impression is VG, but it's priced below good and significantly under actual market. 80.00

## ALL WINNERS lvg

Typical used with no major defects. Glue on spine's interior. Would appear on most lists today in the \$300 to \$325 range. 275.00

## AMAZING MYSTERY FUNNIES 1f

A 1938 Centaur book in nice condition. Signed Bill Everett cover. "The Yellow Terror" is an incredible story that you'll have to read to believe. 95.00

## DARING MYSTERY 1

Difficult to describe. The spine has been glued on the inside. Overall, an easy vg. Priced only by current guide, which has to be a bargain. 375.00

## FANTASTIC 1

Graded vg, though the overall impression is vgf. Several small pieces of magic tape. One of the great early Fox covers. Priced below vg in current guide. 40.00

## FUNNIES, THE 53vgf

With John Coleman Burroughs art on ERB's John Carter of Mars. Below guide. 12.00

## FUNNIES, THE 55vf

Same as above. 20.00

## HUMAN TORCH 2 (#1)

This is such a nice book I hate to call it only fine. F-vf? 900.00

each 15.00

## MAD 19vgf @ 7.50 and MAD 23vg @

## MORE FUN 53

Some minor interior spine repair, otherwise about fine. A volatile book, second part of rare Spector origin. A nice copy. 600.00

## MYSTIC 1

Accurately described as vgf. No major defects. 400.00

## RED RAVEN 1

I'd have to call this vgf, too. But its appearance gives a definite impression of being better. Not a bad copy of a rare book that's bringing spectacular prices on occasion. Explosive potential. Only: 850.00

## RANGERS 11

Appears to be vf. Actually, interior edges brittle and corners lightly chipped. Vgf? Only: 8.00

## SCIENCE lvg

50.00

## SILVER STREAK 7vgf? F? Or?

Daredevil Battles the Claw. Almost all Jack Cole. A great (and rare) comic. Interior spine repairs, but it appears to be vf. Glossy cover, flat. 175.00

## SUBMARINER 1

Spine tear glue repaired. Overall, f? In the plastic bag it gives a nm impression. Nice. 475.00

## SUPER-MYSTERY Vol. 2 #3 vg+

10.00

## TOP-NOTCH 1

Overall f. Appears better. 90.00

## U.S.A. 2

Overall, close to f. 200.00

## VALOR lvg

## WINGS 37g

Brittle on the top edge. How'd this get here? 2.00

## YOUNG ALLIES 1

Minor spine interior repair. About f. 225.00

DELUXE, BOXED BLACK AND WHITE REPRINTS OF

# Prince Valiant

2 SETS, EACH A COMPLETE YEAR

1954 AND 1955 AVAILABLE

HE ORDERS THAT THE SHIP WITH THE WOMEN AND CHILDREN BE ANCHORED SAFELY IN MID-STREAM, UNDER AMPLE GUARD

COMIC GALLERY, published in Austria by Heinz Pollischansky, is a new concept in presenting fine comic art reproductions to the discriminating collector. The first COMIC GALLERY offerings are two complete years of Hal Foster's immortal PRINCE VALIANT.

Printed in black and white on heavy, quality stock, each PRINCE VALIANT page is reproduced tabloid size from a syndicate proof, assuring highest reproduction quality. Each page is printed on a separate sheet, and the sheets for an entire year of PRINCE VALIANT are stacked, unbound, inside a deluxe case.

The custom, handmade case is cloth covered like a fine book and is lavishly illustrated. Over 12 inches wide and nearly 16 inches tall, it can be placed upright in your bookshelf with conventionally bound books. The inside front of each case has a special illustrated article telling about the strips from that particular year.

Available NOW are the years 1954 and 1955, complete. Mr. Pollischansky plans to continue the series with other years being available soon.

Here are the story synopses on the COMIC GALLERY covers:

1954 BOXED SET: "Episodes 882 thru 933. Join Prince Valiant and Aleta as they return to the Misty Isles and have to match wits with an usurper."

## the FRAZETTA gallery

Thirteen new paintings by the master of the fantastic! There's no better way to enjoy Frazetta's incredible work than in poster form; reproductions in books or magazines can't show the magnificence of each of Frank's fanciful or savage renderings!

See my catalog for 44 more incredible Frazetta posters. Combine your order and receive special quantity discounts.

Because they are printed the same size as the original painting, posters #56, 59, 63 and 64 are smaller than the average 18x23 size.

## Frank Frazetta's GOLDEN GIRL

The Signed Limited Edition

GOLDEN GIRL is a breathtakingly beautiful watercolor painting by Frank Frazetta. Painted in 1955, it is unquestionably one of Frazetta's major works in any medium.

Because of the delicacy and incredible detail in the painting, an ordinary four-color print such as was used in ESQUIRE, or in the Frazetta book, or in the cheap \$3. Frazetta poster, cannot do it justice. This limited edition, proof-quality print is reproduced the exact same size as Frazetta's original, approximately 11½" x 14". This print is of the highest possible quality, and captures the incredible jewel-like beauty present in the original. Each print is on zero acidity museum quality paper, designed for maximum life.

This limited edition of GOLDEN GIRL is offered in an edition of 2000 signed and numbered prints. Each print was inspected and signed by Frank Frazetta, and after the 2000 prints have been sold the printing plates will be destroyed.

In addition to having a fine print of this beautiful painting, your copy of GOLDEN GIRL is certain to appreciate in value on the collector's market. Frazetta's relatively recent limited editions LORD OF THE RINGS, WOMEN OF THE AGES, and KUBLA KHAN were all quick sell-outs and are already bringing between 300% and 1000% of original purchase price. So while this print hangs on your wall and while you are enjoying it, it is appreciating in value more than most any other investment you could make at this time.

I have just returned from Frazetta's home in Pennsylvania, where the 2000 prints of GOLDEN GIRL were signed. Special protective mailers will be used in mailing all prints, and all prints are sent by airmail and fully insured.

As with everything else I sell and publish, there is a money-back guarantee on GOLDEN GIRL. If you don't like it, all you have to do is return it for a full refund.

GOLDEN GIRL, limited to 2000 prints, numbered and signed.....\$50. each

BOOKS

NEW\*\*PUBLIC DOMAIN FILMS: 1940 to 1948 is now available, hot off the press. This book lists all films that have been copyrighted between 1940 and 1949. Enables the reader to determine which films are public domain between 1940 and 1948. Covers all films -- cartoons, serials, and shorts, as well as features. A valuable guide to copyright status for film dealers, and an invaluable reference book for collectors and historians. Complete credits for many films are given, along with plot synopses in some cases. This book contains over 17,500 entries.....\$75  
FILM SUPERLIST -- Same as above, except paperback, and covers all films from 1894 to 1939. The set consists of ten volumes, containing approximately 1400 pages.....\$60

FEATURES

\*\*\*NIGHT OF THE LIVING DEAD -- This picture started a new trend of explicitness in horror movies, and since become a classic of the grotesque. It is one of the most terrifying motion pictures ever made, a nightmarish excursion into a world of cannibalistic human zombies that is definitely not for faint hearts or weak stomachs. 90 minutes of sheer horror.....\$149  
NIGHT TIDE -- Curtis Harrington directed this stark and terrifying film, which features Dennis Hopper in a great performance as a lonely sailor who falls in love with an amusement park "Mermaid Girl." An atmospheric blend of horror and alienation that also stars Linda Lawson. 82 minutes.....\$119  
DEMENTIA 13 -- This great tale of murder and insanity marked the directorial debut of Francis Ford Coppola, later famed for THE GODFATHER and many other films. Many scenes and episodes in this shocker are very reminiscent of Hitchcock. William Campbell and Luana Anders star. 81 minutes.....\$119  
PUBLIC COWBOY #1 -- Gene Autry stars in this tale of modern rustlers who steal cattle by truck. Lots of music and action, with Smiley Burnette along for the ride. 54 minutes.....\$79  
BELLS OF SAN ANGELO -- with Roy Rogers and Andy Devine. This print contains the extended fight scene usually missing from TV prints. 75 minutes.....\$99  
MY PAL TRIGGER -- This is the story of how Roy and Trigger got together, and it involves Roy being accused of a crime he didn't commit. With Gabby Hayes and Dale Evans. 75 minutes.....\$99  
SPRINGTIME IN THE SIERRAS -- A Roy Rogers adventure from Republic. 75 minutes.....\$99  
THE BATTLE OF BRITAIN -- From the "Why We Fight" series, directed by Frank Capra during World War II. In BATTLE OF BRITAIN, Capra uses actual wartime footage to show England's stand against the German blitz. This battle was the first defeat of the Nazi war machine -- over three thousand Nazi aircraft were lost in it. An incredible documentary. 55 minutes.....\$79  
WAR COMES TO AMERICA -- This entry in Capra's "Why We Fight" series tells of the events leading up to Pearl Harbor, and includes actual footage of Pearl Harbor itself. A stunning and powerful documentary film, with some of the most graphic visuals ever committed to celluloid. 67 minutes.....\$99  
THE STRANGER -- Orson Welles directed and starred in this excellent film, which also features Loretta Young and Edward G. Robinson. This is a tale of an escaped Nazi official who manages to establish himself as a respected citizen in a small Connecticut town. 95 minutes.....\$149  
THEY MADE ME A CRIMINAL -- John Garfield, Claude Rains, Ann Sheridan, and the Dead End Kids star in this Warner Brothers classic, directed by Busby Berkeley. Garfield plays a boxer who believes he has killed a man, and takes it on the lam. A tight, fast-moving action film! 92 minutes.....\$145  
SANTA FE TRAIL -- This action-filled 1940 Warners feature stars Errol Flynn, Olivia deHavilland, Raymond Massey, and Ronald "Voice of the Turtle" Reagan in the sweeping historical drama of John Brown's fight to free the slaves in pre-Civil War America. Michael Curtiz directed. 110 min.....\$145  
LITTLE SHOP OF HORRORS -- Jonathan Haze, Jackie Joseph, and Mel Welles star in this very funny Roger Corman horror film from 1960. It seems that Haze grows plants, and one of them starts talking one day, demanding human blood...Jack Nicholson does a bit as a masochistic dental patient. 65 min.....\$109  
CREATURE FROM THE HAUNTED SEA -- This nice Corman horror/comedy/satire stars Anthony Carbone, Edward Wain, and Betsy Jones-Moreland in an incredible spoof of everything from monster movies to Humphrey Bogart. It's the story of a motley group of gold smugglers who find their ship attacked by a legendary monster. Similar in tone and style to LITTLE SHOP OF HORRORS. 65 minutes.....\$109  
REEFER MADNESS -- That sinister spectre of marihuana addiction points its bony finger at a group of unsuspecting teens, causing them to drive their cars over the speed limit and laugh a lot. Much like today. ATTENTION! FOR BID:

Tales of Terror, 2nd Annual

This (rare) book was sold to me as a Fine condition book. It is not Fine, but a solid Good/Very Good book. Still has cover gloss, white pages. The only major defect is the spine has had some repairs. Also a small chip and slight crease in the bottom right hand corner of the cover, but still a Good/Very Good copy. Minimum bid is \$150.00. I would rather trade than sell. My want list is below:

Crime Suspensstories	1 - 10	Tales from the crypt	20 - 24

DO YOU WANT YOUR AD TO RUN AGAIN IN T.B.G.?

You do not have to prepare the ad over again, or even send us the copy that was printed. We keep all original ads on file for three months following publication, so a phone call or letter is enough for us to run your ad again. (If you call us, we'll send out an invoice automatically. If you write us, send a check and indicate which ad of yours you want us to re-run.)

This is only good for ads other than classified. We keep classified ads, too, but please be very specific (issue number it was printed in, where about on the page, etc) if you want classifieds re-run.

WRITE US, OR CALL US AT (309) 496-2353!

Tired of buying duplicate comics? Can't remember what issues you have? Like an easy way to keep track of the comics you have, and what they cost you?

FIRST, I'm not a dealer (this is my very first ad in TBG and possibly my last) but was once an innocent comic-collector like you. Unfortunately I lost interest in the hobby while my collection remained stored away for over four years. I guess I just couldn't bear to part with the old books. Now things have changed and I find it necessary to liquidate a few of my assets in order to finance a trip to Europe (amongst other things). So I've decided that the comics have to go; consequently all you lucky TBG subscribers will get first crack at many of the items that are still very special to me.

THE COMICS ARE GRADED AS FOLLOWS: P-poor; FA-fair; G-good; VG-very good; FI-fine; VF-very fine; NM-near mint. All books listed between semi-colons(;) are of the same major grade. Minor flaws appear immediately after the issue number and before the major grade. In cases where the minor flaw is listed after the major grade (e.g.: 9,10,14VGw;) then that flaw is apparent in all the issues of that grade. The flaws are indicated as follows: no-no cover; wc-writing of cover (usually a kid's name); pm-pages missing; ts-taped spine (note: almost all tape repairs have been made using invisible magic tape which does not react violently with comic book paper the way regular scotch tape does. Repairs made with any other kinds of tape are indicated i.e.: mts-spine repaired with masking tape; sts-scotch taped spine) nbc-no back cover; rsc-rubber stamp on cover; sh-small hole in top left corner of book; ns-no staples; cfo-centerfold missing; lc-loose cover; rs-rolled spine; pbc-piece out of back cover; pfo-piece out of front cover; tc-torn cover. Artists indicated in the same way as flaws: Ad-Adams; To-Toth; Fr-Frazetta; Wl-Williamson. (G)-giant.

MONEY ORDERS ONLY (please send no cheques). POSTAGE: 25¢ plus 5¢ per book (the postage rates are extremely high in this country). INSURANCE is 60¢ (that gives you \$200.00 coverage; if by some marvellous chance the value of your order exceeds that I'll divide it into two or more parcels so that you are adequately covered). Well, I hope that's everything. So start hunting and send those money orders to:

NATURALLY THERE WERE A FEW DETAILS THAT I NEGLECTED TO INCLUDE IN THE PREFACE TO THE ADD. (No doubt you are already scratching your head over a few of the abbreviations)

ARTISTS ABBREVIATIONS: Wr-Wrightson; Wl-Williamson; K1-Kirby; Ka-Kaluta; Re-Redondo; Wo-Wood. Where ever space has permitted the name of the artist has been written out in full.

PLEASE LIST ALTERNATES when sending your orders. I have duplicates of some titles but usually in a poorer condition than the copy listed in the ad. (In some cases I have listed the duplicate copies). In the event that I am sold out of the best condition copy of a particular book I may be able to send you a poorer condition copy at a proportionately lower price. Please indicate if this is okay with you.

In any case if I am unable to fill your order according to your specifications I will send a prompt refund for the unfilled portion. You will also be notified by mail (hope this doesn't spoil the surprise) as to what books you'll be getting.

IF YOU ARE STILL CONFUSED ABOUT ANYTHING just inform me in your letter and I'll do what I can to sort it out. The worst that can happen is you'll get your money back.

IF YOU ARE NOT SATISFIED WITH ANY OF THE BOOKS simply return for a full refund. Remember you save 10% on your American dough. THANKS.

Welcome to my 5th ad in TBG and look closely for some great buys on Golden Age comics and related items. I rarely sell more than half of what I advertise so don't assume that what you want has already been sold. As always, all items are accurately graded in accordance with Overstreet. If not satisfied, you may return any purchase for a complete refund. No minimum order. Personal checks are welcome but orders may be held until checks clear my bank. Add 50¢ for postage on all orders and additional for insurance if desired. Orders of \$20.00 or more are automatically insured. Alternates are appreciated but not required. Prompt refunds on items already sold.

ANOTHER SPECIAL, A FOREWARNING & AN EXPLANATION

### HOBBIT POSTERS

Four beautiful posters from The Hobbit TV special. Printed by Abrams, these posters are normally \$4.50 each. Order by Dec. 31 and get all four for ... \$15. All posters will be mailed flat.

#### EXPLANATION

As I write this, my first special ad and the TV showing of The Hobbit have yet to appear. I had figured I would probably sell 3 to 5 times as many copies of the book and posters through mail orders as I would from off the street business in my store. I have already sold half of my supply on hand of each without the ad appearing. I have ordered more from the publisher but apparently so has every other dealer in the country. They are so backed up on orders that he promised me my re-order would not get to me before the first of the year at the earliest. Rest assured that all orders received by Dec. 31 will be filled at the special prices, but if you were thinking of taking advantage of these special prices for Xmas gifts, I am afraid I will probably disappoint you. This is not the way I planned things. I goofed and I apologize for any inconvenience that results for my customers..

#### RECAP OF DEC. SPECIALS

THE DARK DESIGN - Philip Jose Farmer \$8 till Dec. 31  
THE ILLUSTRATED HOBBIT - Tolkien \$25 till Dec. 31  
FOUR HOBBIT POSTERS - Rankin & Bass \$15 till Dec. 31

# DREDGED UP FROM DISMAL DARK DUNGEON DEPTHS....

Camelot

912 CLAY, HOUSTON, TEXAS 77002

Be it known by all present that ye eyes gazeth upon a feast of garbage—enough to boggle a kingdom—and at serf's prices. Other activities are planned for the dungeon and we must move everything that's been cast down there o'er the years. Be it known that these comics do not smell (unless ye are bothered with allergies), but about everything else is wrong with at least one of them. Since we believe ye should know what ye are ordering, BEWARE lest ye tread forward in the shoes of a mint collector. What follows is only for the eyes of the bargain hunter.

## Important

So ye may understand that we do not have a double standard, let it be known that in ye instances of a rare cover only—or a centerfold only—the price sometimes is based on what we're willing to sell the piece to ye RATHER THAN KEEP IT to piece together a complete comic at yon distant future date. The price is FAIR rather than cheap in these cases only. The classic example is the centerfold to ye Superman 1, in condition fit to satisfy ye Royal Princess. If ye have such a comic missing this part, we want to share the profit of putting them together. Ye sell us the comic or we sell ye the missing part.

## Note

The prices in parenthesis, such as, for Action 15 (120-360) stands for the range in the current Price Guide for that particular comic from Good to Mint, so—without having to look it up—you'll get an idea of relative values for comparison to what we are asking. G = good, vg = very good, f = fine, vf = very fine nm = near mint, ag = about good, af = about fine, c.f. = centerfold, ng = no glasses (for the 3-D's), pg = page, vgf = very good to fine, w/ = with, o/w = otherwise, 3/4 cover = a standard description for a newsstand return that had the title razored off (these are often unread comics that in some cases in this ad are in incredible condition, except for that one defect), b&w = black and white, p = poor, fair = fair (never abbreviated to eliminate confusion with fine), g.g. = "good girl" art, t = tape.

## Orders

\$5.00 MINIMUM ORDER. A self-addressed envelope would be appreciated, but isn't required. Please ADD \$1.00 for postage and handling. If you want your package sent FIRST CLASS or REGISTERED, include an appropriate amount. If you're close we'll eat the difference. If you're not close, we'll send it a cheaper way. All Canadian orders or other foreign should send funds payable in U.S. currency, and include postage & insurance as applicable. Thanks, and happy serfing!

- FUNNY PICTURE STORIES Oct. '37, says inside V. 2, No. 2, but on inside cover V. 1, No. 11, which is more likely, since it's the 11th month in print; "Bombs of Destiny" art by Guardineer, a Nazi un-funny picture story; half of book is not funny; Jack Strand is in (contrary to guide); anyone know who did "Boomerang"?—any possibility it's early Kinstler? - POPEYE CARTOON BOOK very rare Saalfeld 1934, 8x13" book of '33 Thimble Theatre Sunday newspaper reprints in full color. Each page contains a vertical half of a Sunday, so the continuity is read row for row completely across each double page spread, exactly as it originally appeared in Sunday halves. This copy, overall gvs, is missing a centerfold (40 pgs total), which I've reproduced in beautiful, permanent, b&w copies taken from the only other copy of this book I've ever seen. PG lists @ 70-210 with not quite correct information. I think it's worth more. This copy ... 75.00

- RACE FOR THE MOON 3 g (4-12) 4.00

- SUPER COMICS 3 from 1938 about good; a perfect inexpensive sample of a comic that represents what the early newspaper reprint books (pre-Action #1) were all about; no major defects, just heavily used (16.50-50) 12.00
- SUPER 49 ag, w/Smitty advertised on the cover but not inside; an even less expensive sample (6-18) 4.00
- SUPERMAN 1 we have a copy approximately in the vg to fine range that's unavailable for inspection as we go to press. Call Camelot for an exact description and/or terms. OPEN
- SUPERMAN 1 nm centerfold only! w/very slight yellowing (no brittleness whatsoever). With two chances for a clipped coupon, there are a lot of incomplete c.f.'s in fandom, greatly devaluing a \$1,000 to \$3,000 comic. So ... what's this worth? We will buy your fine copy for \$1,000 cash (more for mint) that is without a c.f., or has one of the coupons out. Or, we will sell you this piece of the puzzle for ... (you choose) ... 500.00
- SUPERMAN 4 evg (a triangular piece is gone from the lower corner of an interior page that nips a 1" bite into one panel, affecting no lettering or characters, just background fill); a solid book (125-375 and I'm guessing 150-450 in next spring's guide) 120.00
- SUPERMAN 4 cover only! Front cover is fair-good. Back cover, separated, is close to fine. Buy or sell? 30.00

- TALES FROM THE CRYPT 33 origin of Crypt Keeper; no cover, vg (12-36) 6.00

- UNCLE SCROOGE 39 ag, two c.f.'s gone; 1 Scrooge + 1 Gyro story complete 1.00
- V.... Comics 1 a Fox title, complete, but cover poor, insides clean, white; Black Fury + Queen of Evil (g.g. art); I've had this book long enough that I'm tired of looking at it, so how about 60% off the PG "good"? Should be the bargain of the ad (26.50-80) 10.00

- WDC&S 66 vg (12-36) 15.00
- WDC&S 72 poor (9-27) 4.50

Are you really into film collecting . . . or would you like to be? If so, then **FILM COLLECTOR'S WORLD** is just the place for you! It is a tabloid newspaper exclusively for film collectors like yourself.

Each issue is over **40 newspaper-sized pages big**, featuring **hundreds of ads** from big film companies and small, part-time collectors alike. The ads offer a wide variety of 8MM, Super 8, 16MM and 35MM films for sale . . . as well as ads for movie posters, movie stills, pressbooks, slides, film clips, movie conventions, nostalgia stores, original cartoon animation art, soundtrack records, autographs, and more! **Everything that has anything to do with the film collecting world will be found in our pages.** You may find something you have been looking all over for, or something you didn't even know existed!

Aside from the advertising, we have regular columns, news features, interviews, tours, photo features, contests, film reviews, an information center for your questions, a letters page, reviews of books about the movies, and much more! (Our past few issues have taken our readers on a photo tour of both WALT DISNEY PRODUCTIONS and BLACKHAWK FILMS as well as an index to all cartoons now available for collectors from companies all over the world and an interview with Mel Blanc, voice of many cartoon characters including Bugs Bunny. We've also had a salute to the TARZAN movies, among other special features.)

A full year's subscription to **FILM COLLECTOR'S WORLD** is just **\$5.00 (24 issues)**. Thanks to the many pages of advertising we publish, we can offer you our paper at about half our cost. **You'll get each big issue for just 20c!**

So if you are into film collecting, or if you'd like to be, **Film Collector's World** is just right for you. Subscribe today and your first issue will be to you in a week or two. **HAPPY FILM COLLECTING!**
